RECOMMENDATIONS

"In the first week it became apparent that Matthew's style and presence would be exceptional, and he never failed to live up to that first impression. From the initial thumbnails to final product, his solutions would bring an uncommon approach that not only exceeded the projects requirements, but also left an indelible impression."

David Cusak
Principal, **idlehandstudios**

"Matthew has an acute design sense and the ability to express abstract concepts through strong visual cues and text. Matthew excels at project management. He analyzes the scope of work for projects extremely well and integrates the client's objectives into the design process. He meets all deadlines and deliverables, quickly and accurately incorporating comments and revisions. His personality strengths are imagination, organization, reliability, persistence, and a strong sense of ethics. I have worked with many graphic designers over my ten-year career in arts administration. Matthew Lequick ranks at the very top."

Linden Ontjes
General Director, **Eleventh Hour Productions**

"When looking for assistance at bridgmandesign we generally wade through literally hundreds of resumes to find a few promising candidates. Matthew Lequick is one such designer. He possesses an innate sense of design and his ability to listen and process critique makes him adaptable to many styles and aesthetics.

Matthew is self motivated and obviously determined to live an interesting life. I feel passion for life is a critical ingredient to a good designer. Matthew would be an excellent addition to any team."

Jon Bridgman
owner, creative director, **bridgmandesign**

"Matthew er en dygtig grafisk designer, med en solid uddannelse og masser af erfaring i bagagen og var på den baggrund overkvalificeret til arbejdet som assistent på Krabbesholm. Ledelsen af workshops i Indesign og Flash var perfekt og oven i købet udført med stor pædagogisk indsigt og tålmodighed, hvilket ikke er nogen selvfølge!

Føjer man til at Matthew var en fornøjelse at omgås for kolleger og elever, der mødte ham her på stedet, en god kammerat med et smittende humør, kan man ikke ønske sig mere."

Charlotte Jensen
Underviser på grafisk design / Viceforstander, **Krabbesholm Højskole**
