

# What do we do?

Don't be mislead... Lequick Design is but one man. Nonetheless, he has much to offer.

## Web design

- \* Pixel perfect design of websites from scratch
- \* Website redesigns, remodels and refreshes
- \* Delivery of front-end code for CMS integration
- \* With planning & partnerships, CMS solutions

## Identity design

- \* Logo & identity design and refreshes
- \* Styleguides (.pdf)

## Interface design

- \* Pixel perfect design of interfaces
- \* Info architecture and interface mapping
- \* Interface prototyping with Flash

## Motion design

- \* Raster and/or vector based animation
  - \* Thematic artwork for theatre/installation
  - \* Video editing
- Note: LQD does not shoot/produce video.

## Strategic design

- \* Art direction
- \* Concept development
- \* Interactive product/service demos
- \* Visual presentation design

Note: LQD does not make PowerPoint presentations.

## Advertising

- \* Web or print advertising to spec
- \* Flash banners (including video banners)

## Print design

- \* If it involves ink on paper, LQD can deliver.
